Welcome Back and Thank You

The SouthTech Schools community came together over the last couple weeks to help get our campus prepared before and after Hurricane Irma. Thank you to all the teachers and staff who took time to help during these efforts. We know this was a stressful and difficult time for many in our community. Our SouthTech family handled this challenge with thoughtfulness and care. We are so happy to have our teachers and students back on campus returning to a normal routine. Welcome back! #TheBulldogWay

Graduation-Ready Senior Social

Seniors enjoyed ice cream as a special reward for meeting a checklist of graduation requirements upon beginning this school year. Culinary students served more than 200 scoops of ice cream while Music & Sound Production students provided some upbeat music. STA Principal Boggess delivered an inspirational message to these Bulldogs. What a bright future these seniors have ahead of them! #BulldogPride
